

WRVM SPIRITUAL INFORMATION SHEET

The FCC recently adopted new Equal Employment Opportunity (EEO) rules which allow religious broadcasters to establish religious belief or affiliation as a job qualification for all station employees.

WRVM, INC. is a nonprofit religious organization whose purposes include the propagation of the Gospel of Jesus Christ by any legitimate means. Because it is a Christian radio station and all aspects of its operations are devoted to its' Christian mission, WRVM, INC. requires all employees to subscribe to its Statement of Faith (see enclosed) as a basic qualification for any position and to conform to certain standards of Christian faith and practice.

Be it hereby declared that:

WRVM INC believes that the breadth of its ministry is directly related to the depth and sincerity of commitment to Jesus Christ demonstrated by each employee.

WRVM INC also believes that the effectiveness of its public ministry is directly related to the authenticity and persuasiveness of private faith commitment by each employee.

WRVM INC believes in the Biblical truth of "a little leaven leavens the whole loaf" which must guide the careful selection of its staff.

WRVM INC believes that the Biblical analogy of the human body to the body of Christ and the essentiality of each member maintaining an organic relationship to the head is directly applicable to WRVM INC and its employees.

It is therefore resolved that:

This truth requires that each employee have and maintain a real and vibrant fellowship with Jesus Christ as their Lord and Savior. Therefore, each employee is regarded as a full-time ambassador of Jesus Christ and of WRVM INC.

All employees shall behave on and off the job in a manner consistent with the mission of WRVM INC as an organization committed to declaring and demonstrating the message, mission and character of Jesus Christ.
